Dear John

RE: PACIFIC DUNES PORT STEPHENS

On behalf of Pacific Dunes Golf Course & Residential Community I would like to take this opportunity to complement yourself and your company and staff on the level of professionalism shown in fast tracking both the design and development and delivery stages of the signage for the Pacific Dunes Golf and Residential Community.

The standard of the signage manufactured and installed by your company has exceeded my expectations and has contributed to the increasingly high standard of facilities we are able to offer the residents, members and visitors of Pacific Dunes.

I very much look forward to continuing our relationship through the design development, and installation of signage for the ensuing stages of Pacific Dunes.

I would have no hesitation in recommending Central Signs to anyone who may choose to avail themselves of your services.

Yours Faithfully

Matt Chalmers
