Dear John and the team at Central Signs,

I would like to thank you for the great job you have done on our Taronga Zoo Exhibit Sign. The quality of manufacture exceeded our expectations, the turn around of the sign was speedy and your handling of the installation was also very impressive.

Overall, I felt that I was able to leave the job in your capable hands and not worry at all. Please make sure you thank the team in the factory and thank you to yourself for a job well done - it is much appreciated.

I look forward to dealing with you with our future signage needs.

Regards,

Anna Bulman
