Dear John,

The New Children's Hospital wishes to express its gratitude to your company for its on-going assistance in regard to the supply of signage throughout the hospital.

Situated as we are on a large campus containing a diverse population, it has not always been easy to meet its many requirements. At all times, Central Signs has displayed a high degree of professionalism in its approach to both the work at hand and in its dealings with staff. I also wish to add that Central Signs personnel have always been reliable, pleasant and extremely helpful.

I would have no hesitation in recommending Central Signs to any organisation requiring assistance with signage.

I look forward to our continuing association.

Yours sincerely,

Russell Smith
Director of Corporate Services
